March 14, 2025

Dear Customer,

During the March 10, 2025 Board of Directors meeting, the Board voted to increase the Pure Water Supply water rates. This is required so that the non-profit corporation is able to pay for unexpected repairs as well as expenses for improvements or upgrades that are mandated by the Texas Commission of Environmental Quality. The new rates will be effective on the April 25th, 2025 billing and are as follows:

\$50.00 service availability charge, no water included:

Gallons Used	Rate for Thousand Gallons
1 - 4,000	\$ 4.77
4,001 - 8,000	5.30
8,001 - 10,000	6.10
10,001 - 30,000	7.42
30,001 - 50,000	8.48
50,001 & over	10.60

Also, the cost for the membership fee for new meters will increase to \$400.00.

Sincerely

Board of Directors
Pure Water Supply Corporation
